Actions to challenge or change the policies of the District as set forth in the Board Policy/Administrative Regulations, which are not in conflict with this Agreement, must be undertaken under separate legal process.

6.2 General Provisions

6.2.1 The time limits contained herein are considered maximum limits. However, they may be extended or reduced by mutual written agreement.

6.2.2 The grievant may be represented by authorized representatives selected by the Association at any conference or hearing. For this purpose, released time may be provided the grievant and the Association representatives at a time mutually agreed to by the grievant and by the District’s designee.

6.3 Informal Level

6.3.1 Before filing a written grievance, the grievant is encouraged to attempt to resolve it by an informal conference with the grievant’s immediate supervisor. The immediate supervisor or his designee shall confer with the grievant within five (5) work days of the request. Any time required in this attempt shall be added to the twenty (20) work days period for filing the grievance at Level I.

6.4 Formal Level - Level 1 - School Level

6.4.1 Within twenty (20) work days after the grievant has knowledge of or reasonably should have knowledge of the event which caused the grievance, the grievant must present such grievance in writing on the appropriate form to the immediate supervisor.

6.4.2 This statement shall include the circumstances involved and the remedy sought.

6.4.3 The supervisor shall communicate a decision to the employee in writing within ten (10) work days after receiving the grievance. If the supervisor does not respond within the time limits, the grievance shall proceed to the next level.

6.4.4 Within the above time limits, either party may request a personal conference with the other party. The Association shall be notified by the District prior to such a meeting in sufficient time to provide representation.

6.5 Formal Level 2 - Superintendent’s Level

6.5.1 In the event the grievant is not satisfied with the decision at Level 1, the grievant may appeal the decision on the appropriate form to the superintendent within ten (10) work days.

6.5.2 This statement should include a copy of the original grievance, the decision rendered, and reason(s) for the appeal.

6.5.3 The superintendent shall communicate a written decision within ten (10) work days after receiving the appeal. Either the grievant or the superintendent may request a personal conference within the above time limits. The Association shall be notified by the District, prior to such a meeting, in sufficient time to send representatives. If the superintendent does not respond within the time limits, the grievant may request the Association to proceed to arbitration.

6.6 Formal Level 3 - Arbitration

6.6.1 In the event the grievant is not satisfied with the decision at Level 2, the grievant may, within ten (10) work days of the decision or the date the decision was due, request the Association to submit the grievance to arbitration.

6.6.2 If the Association agrees to submit the grievance to arbitration, it will so notify the superintendent and the American Arbitration Association (AAA) within fifteen (15) work days of the request. Except as otherwise agreed in writing, the parties shall then be bound by the Voluntary Labor Arbitration Rules of the AAA and the award of the arbitrator.

6.6.3 The arbitrator shall have no power to add to, subtract from, or modify the terms of the Agreement or the written policies, rules, regulations and procedures of the District.

In the event the grievance is sustained in part and denied in part, the arbitrator shall determine the appropriate share of costs to be assessed each party.

6.7.2 If the Board of Trustees wishes to review the grievance and the superintendent's proposed decision, the superintendent shall notify the grievant within the ten (10) work day time limit referred to in Section 6.5.3 above, and that time limit shall then be automatically extended to twenty (20) work days.

15.1.2 Unit members to be evaluated during a particular year shall be advised of the criteria (teaching and objective standards) upon which the evaluation is to be based, and notified of the identity of their evaluator no later than the second (2nd) week of October of the year in which the evaluation is to take place. However a conference must be held in order to communicate any changes with the unit member.
- 15.1.5 The primary evaluator shall be the principal to whom the unit member is immediately responsible or a designee who has the authority to effectively evaluate the unit member. APPENDIX A

The following procedures have been developed in order to:

1. Systematize and provide guidelines for the selection of a unit member to accept a sixth (6th) instructional period.
2. Provide all certificated staff members with equal opportunity to teach a sixth (6th) period within their department.

A. Department Lists

- (1) There shall be established at each school within the District a "Rotation List for Teaching a Sixth Instructional Period." There shall be one (1) such list for each department within the school. A teacher shall be included on the list in the department he/she is currently teaching or on the list of another department of which he/she is credentialed to teach.
- (2) The initial list of teachers will be based on seniority in the District, with new teachers going to the bottom of the list in the year that they are employed. Teachers from within a department shall have continuing priority over counselors and teachers from another department.
- (3) Each list in each school will be revised and announced by May 1st, reflecting preceding sixth (6th) period service and staff additions. New teachers will be added to the bottom of the list after the rotation reflecting the preceding semester's service.

If a teacher declines a sixth (6th) instructional period, he/she will retain his/her position on the rotation list. Once a teacher teaches a sixth (6th) instructional period for two (2) semesters, his/her name shall be moved to the bottom of the rotation list.

Former teachers of our District, returning to the District following a break in employment, will be placed on the list as though they are teachers new to the District. Teachers on a leave of absence, however, will retain their position on the list.

- (4) A teacher with an unsatisfactory evaluation may not teach a sixth (6th) period until they have achieved a satisfactory evaluation.
- (5) A teacher who is involuntarily transferred shall be placed on the rotation list according to the date of last 6th period assignment.

The following procedures have been developed in order to provide guidelines for the school site to consider the establishment of a flexible and/or varying time block schedule.

1. ACT shall conduct a secret ballot vote of all certificated staff at the school site to determine if the school would like to explore a flexible and/or varying time block schedule. This vote requires approval by a two-thirds (2/3) vote of all bargaining unit members present on the day ballots are cast.
2. The secret ballot vote shall be conducted in accordance with procedures in the ACT Bylaws.
3. The timeline for the election shall include the date when voting will take place and the deadline for requesting an absentee ballot (voting by mail).

A majority vote shall be required to establish the flexible and/or varying time block schedule to be considered. After the flexible and/or varying time block schedule has been selected for consideration, a two-thirds (2/3) vote shall be required to select either the traditional schedule or the flexible and/or varying time block schedule.
